

# Octavian Tătaru

## Work Experience:

### 2024 – present: FRONT END DEVELOPER@OSF DIGITAL

- **Designing, coding, and modifying websites**, from **layout to function**, according to a client's specifications.
- Creating visually appealing sites that feature **user-friendly, mobile-friendly design** and clear navigation.
- Responsible for designing, developing, and implementing the **user interface** and **user experience** of websites.
- Collaborating with **cross-functional teams**, translating **design mockups** into **functional code**, and ensuring the **responsiveness** and **performance** of **front-end systems**.
- Currently working on the **Store Locator** project using **React, Tailwind** and the **React Google Maps API**.

### 2021 – 2024: WEBMASTER@OSF DIGITAL

- Managing and maintaining the company's **websites**, ensuring their **functionality, security, and optimal performance**.
- Collaborating with cross-functional teams, **implementing website updates**, and **monitoring website analytics** to drive continuous **improvement**.

### 2020 – 2021: FRONT-END DEVELOPER @EDEVOLTATOR.RO

- Creating simple and **mobile-friendly** presentation websites using **HTML, CSS, JS, Bootstrap**, or a **Page Builder**.
- Helping clients acquire **hosting** and **domain** for their website. Installing **WordPress** and related **plug-ins**.
